Annual Irvin Alumni Ruidoso Rendezvous..... An Established & Growing Tradition! October 15-18, 2018

HISTORY: In October of 2013, about 15 Irvin alumni & friends met informally at Inn of the Mountain Gods in Ruidoso, NM. Just an informal gathering to relax and enjoy each others' company. It was SO enjoyable, we all decided to make this an October habit, and each year we have grown in numbers to the 60+ classmates from graduating classes 1961-1971! Each year some of our most enthusiastic "newbies" are those who recently celebrated their 50th high school reunion. But many folks don't wait for 50 years to get with old friends; and it's fun to see younger & older Irvin siblings in the group, as well as spouses from various Irvin graduating classes and beyond. No restrictive schedule or pre-planned events (other than the 5:00pm Happy Hour each evening), and **no necessary event registration** (but your own lodging reservation is on-your-own).

FORECAST: 2018 will surely see at least as many of you as attended previous Ruidoso mini's, and maybe more. Although many of us attend **every** year, some people have to miss a year here or there..... and new participants keep joining the fun. So once you're on our email list you will receive 2 or 3 updates of the current year's attendees.

Although you can wait to decide until the a day or two before Oct 15..... Between now and "Cinco de Mayo" May 5th, just send us a quick YES! reply so we can get a "starter" list **(or a MAYBE if you're not yet sure)**. We will then soon send you an updated list of "YES's" and "MAYBEs".

HEADQUARTERS LOCATION: Inn of the Mountain Gods [1-800-545-9011](tel:1-800-545-9011) but some people arrange other nearby lodging.

- * You will need to reserve your lodging on your own. But we will list below, some of the most popular options. Use Inn of Mountain Gods phone reservations, NOT their web site which erroneously claims "no vacancies".

TYPICAL POPULAR ACTIVITY CHOICES:

- * All-attendees invited to evening rendezvous at 5PM at Wendell's Lounge in the Inn of the Mountain Gods **each day** (informal)
- * Throughout the day, unplanned rendezvous opportunities for small spontaneous groups or pairs (or individuals soaking in the peaceful mountain solitude & serenity)..... your choice ... hotel golf course, paddle boats, hiking trail, exercise gym, indoor pool & hot tub
- * Day-trips to Tourist Attractions around Ruidoso and nearby countryside, as friends' shared interests get them together
(*Scroll down to images of some of the many nearby attractions*)
- * Evening attractions in Ruidoso invite dancing at "Win/Place/Show" Nightclub in town, or Inn of Mountain Gods restaurants & coffee shops or casino fun Or fun social gatherings in hotel hospitality rooms of various classmates later in the evening.

Steeped in a growing autumn mountain tradition is our/your 2018 annual "Ruidoso Rendezvous"! Always the 3rd week of October. Just a couple of hours or so from the El Paso International Airport but eons from the usual day-to-day "hamster wheels" back home. If you can stay all three evenings (Monday-Wednesday), that's the best! Let us hear from you! You can always change your mind later. 😊

VILLAGE OF CAPITAN

FORT STANTON

Named for Captain Henry W. Stanton, Fort Stanton was established May 4, 1855 as a military fort to protect settlers from Apache attacks. Operated as a military fortification until 1896, it played a part in the Civil War, was the first Tuberculosis Hospital in New Mexico, was an internment camp for German seamen during World War II, and is known for heroes such as Kit Carson, Black Jack Pershing, Buffalo Soldiers of the 8th and 9th Cavalry, and the notorious Billy the Kid. The Bureau of Land Management (BLM) and Fort Stanton oversees thousands of acres surrounding the fort.

NATIONAL SOCIETY DAUGHTERS OF THE AMERICAN COLONISTS, PROJECT OF THE 2009-2012 ADMINISTRATION, GEORGIA C. HOLDER, NATIONAL PRESIDENT, LANITA DUKE, NEW MEXICO STATE REGENT

Welcome to Roads and Trails of Fort Stanton!

Welcome to the ELM Fort Stanton Area of Critical Environmental Concern (ACEC). Fort Stanton was established in 1855 as a cavalry fort. Today, the Bureau of Land Management (BLM) manages the area for biological, archaeological, scientific and quality recreation opportunities.

TRAILS

The area has 60 miles of horse/hike/mountain bike trails. It is likely that cavalry patrols followed parts of the same trails in the 1850s through the turn of the century. Use caution in steep, loose, rocky areas. Most of the trails are not mechanically constructed or designed to any standard. The majority of the trails start at the Horse Trails Parking Lot on Highway 220. Hitching rails, stock water, and a toilet are located in the parking lot. Water and electric hookups are available for special events. The trail system design allows equestrians, hikers and mountain bikers to enjoy the backcountry of Fort Stanton.

Please stay on designated roads within the Fort Stanton ACEC. Roads are marked with signs stating if the road is open or closed. Trails are marked with flexible fiberglass markers with the trail name or arrow. Cross-country horse and foot travel is encouraged. Mountain bikers are asked to stay on established trails to protect the rider and bike.

RIO BONITO PETROGLYPH NATIONAL RECREATION TRAIL

Hike the 2-mile Petroglyph Trail along the Rio Bonito and glimpse the past. The Petroglyph Rock, a huge 12-foot high boulder is located at the midpoint in the trail in the river bed. Other petroglyphs can be found on the rock faces and boulders within the area. The Jornada Mogollon pecked these rock symbols about 400 years ago. Petroglyphs and other durable items are the only remains to link to the culture and lifestyle of these ancient

people. The trail length is easy to moderate hiking, with a few hills, and areas with loose footing. Plan to spend at least one hour on the trail. The trail can be reached

from New Mexico State Highway 220 west of the Sierra Blanca Regional Airport. Follow the signs stating "Upper Rio Bonito" to the bottom of the hill and turn left for approximately one mile until you reach the trail head.

FORT STANTON CAVE

Fort Stanton Cave is a "wild" cave and the third longest cave in New Mexico with 13 plus miles of passage. In 2001 the Snowy River portion of the cave was discovered and contains the longest cave formation in the world. The cave is open for recreational exploring by permit from April 15 to November 1, and is closed during the winter months to protect hibernating bats. The cave is locked to protect other unique resources and to prevent

unexpecting visitors from serious injury. You may visit the cave by contacting the ELM Roswell Field Office.

HISTORIC AND CULTURAL RESOURCES

Fort Stanton is a rich historical and pre-historic area. Please do not remove historic or pre-historic items from the area. Pre-historic artifacts from early tribes and historic items enable us to learn about the past and en-

able us to understand what it may have been like 100 to 400 years ago. Please take pictures and leave only foot prints so others can enjoy the miracle of discovery.

CAMPING

Fort Stanton is open to overnight camping with a 14-day length of stay. There are no formal campgrounds within the area. Equestrian groups and individuals camp in the horse trails parking lot. There are facilities for equine stock, a toilet and equestrian water. When camping in the back country please picket your equine stock to lessen the damage to the area.

HUNTING AND TRAPPING

Hunting and trapping is allowed within the 24,000-acre Fort Stanton ACEC. Please control your pets so they are not involved or entangled with authorized trapping within the area. Only youth are allowed to hunt deer within the Fort Stanton Area. The hunting and trapping

is under the New Mexico Department of Game and Fish Department rules and regulations for all game species.

HISTORIC FORT STANTON

The 24,000-acre area is within the original historic Fort Stanton Military Reservation. The military reserve was carved out of the Mescalero Apache homelands in the 1850s. During these tumultuous times, the 9th and 10th Cavalry and the 24th and 25th Infantry Buffalo Soldiers were sent to the New Mexico Territory to protect the settlers in the area.

Historic Fort Stanton is one of the few intact frontier forts in the west. Many of the original fort buildings still stand. From 1855 through 1896, the Fort played host to some of the most colorful military units and personalities of the west, including the 9th Cavalry and 10th Cavalry and the 24th and 25th Infantry Buffalo Soldiers, Billy the
